

TERMINAL SUPPLY CO.

Sales Representative Positions

Terminal Supply Company is seeking dynamic, hard-working individuals for both Inside and Outside Sales Representative positions. The Company's distribution division has over 70,000 products in its catalog, featuring full lines of terminals, wire and other electrical components, fasteners, truck lighting, safety products and hydraulic power fittings and hose. Through its manufacturing division, the Company provides custom wire harness and cable assemblies to specialty vehicle manufacturers, trucking firms and industrial manufacturers, among other customers.

Applicants should have a working knowledge of automotive and other electrical applications, a college degree and a minimum of two years of sales experience, have their own vehicle and insurance, an exemplary driving record and be highly motivated to build a solid base of reliable customers and close sales.

Compensation is commensurate with experience. Benefits include health and dental insurance, life and disability insurance programs and a 401(k) plan. If you are interested in a sales representative position with Terminal Supply Company, please, do not call, but rather send your cover letter and resume to hr@terminalsupplyco.com or fax to (248) 362-3682.
